### The Premises:

I traveled by tube, so I cant say anything about parking. The street was a fairly wide one in this area, with a number of cafes and such in the area. But even if this was a warm day with many people sitting outside, I never felt unsafe or watched.

After I rang the buzzer, I went up a couple of stairs, and was welcomed into a darkened hall. This led into Amelias part of what I'm guessing was a larger flat. She had a nice, roomy part, with kitchen, and a good, clean shower/bathroom.

### The Lady:

Amelia is eastern european, average height, blonde and pretty. Looks a lot like the pictures on her profile that this agency keeps. But I think her hair is a bit shorter than in the pictures, and I think that she might use extensions to bolster the volume a bit.

### The Story:

I first wanted a shower, and Amelia led me into her clean, warm and nice bathroom. While I took a (quick) shower, she went and put on some music. Got back into her spacious room, and was offered a fruit-drink. I was a bit nervous, and she caught this, and quickly made me relax.

A quick BJ was followed by a nice, relaxing chat. She's not afraid to talk, shares easily about her background, her pets and family, and made me feel at ease. English very good, by the way.

Then she gave me a marvelous back rub, with me feeling her up and down a bit - ok, a lot - and then I was ready to go again.

Finished of with a good old missionary (my choice) and left feeling a better man.

To sum up, Amelia felt like a wonderful person, that I was lucky to meet. Had a wonderful time, and would not hesitate to recommend her to anyone who want to feel special - at least for a while.
