The Lady:

A pretty and tanned girl having recently returned from holiday. Good figure with small tits.

The Story:

Chose of two girls. Paid £50 to Receptionist and shown into the room to get undressed. Soon joined by Miley. Told me to lie down on my "belly" and she gave me a short oily back rub sitting astride me. She told me that the entry fee was for a basic service of covered oral and sex. Other things like kissing,OWO and CIM were extra.I paid £20 for kissing and OWO which she required in advance. The kissing was OK but I wouldn't describe it as GFE. After wiping my dick she took me in her mouth - rather too much handwork which I asked her to stop and to be fair she willingly complied. Watched her working my cock in the mirror alongside the bed as I stood whilst she laid on the bed. On with the condom to fuck her in doggy across the bed and nice eye-contact in the mirror. Finished in mish sucking her tits and a few more kisses before finishing. Miley soon got dressed and left whilst I had a shower. I suppose I expect too much from a young girl in a parlour and perhaps I should stick with my Asian girls and more mature ladies. For that reason my recommendation is Neutral. I wonder why there hasn't been a previous review of this place since April 2012 - perhaps there is a better place in Northenden I might try?
