The Lady:

Beautiful tall European lady in her late 20's who closely matches her photos. Sexy body with large beautifully shaped breasts. Sexy accent and welcoming smile. Overall, instant boner material within seconds of entering my hotel room.

The Story:

I wanted one last punt before leaving my hotel, and Katja obliged at (very) short notice for a 9am meeting.

She bounced into my room full of energy and warmth and kissed me on the cheek. Formalities out of the way this turned to kissing with tongues and at her invitation we enjoyed a shower together where we soaped each other's bodies and I could get to grips with her fabulous tits which are indeed what mother nature provided her.

Moving to the bed, I went down on Katja who tasted delicious and then she returned the favour with a skilled BJ (without). Then onto the main course where I could shag her hard and watch those great breasts jiggle with my thrusts.

Ended with me fucking her arse in missionary with her legs over my shoulders, she encouraged me to do it harder and deeper and gave me lots of dirty talk which brought me to a mind-blowing climax.

She is no clock watcher, but we had to stop a little bit before the hour was up because the maid wanted to clean the room.

Will see again for sure.
