The Story:

A bad start - kept waiting for ten minutes in the room, eventually Gabby appeared with no apology or explanation. I had requested that she be dressed, and when she eventually appeared she was, but in jeans and t-shirt - how dumb! I had expected something a little bit sexy, given the nature of the services being offered. From there on in it was virtually a silent half hour, with Gabby giving one-word answers to my attempts at chat and never speaking otherwise except to say what she didn't do - quite a lot actually. No smiling at all and a prissy attitude throughout to her hair being touched, often muttering complaints - very off-putting.

However although I wouldn't see her again, I would recommend Gabby to others as long as you don't mind her 'ice-maiden' attitude and lack of enthusiasm. She is a very beautiful young woman, with superb breasts and a nice tight pussy, and she does all the basics you'd expect from a WG very well. It's just a long way from a GFE. If she relaxes a little about what she offers, and learns to at least pretend she's happy to be there, she could become a real star of this high quality establishment.
