The Premises:

The location is a private flat about a 5 minute walk from Lewisham station. It has a discreet, intercom entry and is modern and clean inside. I had been to the flat a couple of years ago and saw a different girl.

The Lady:

Arabela is a petite, brown skinned East European girl with long dark hair. She has lovely firm, medium sized breasts and a slim figure.

The Story:

The directions to the flat are given by a maid because Arabela has very poor English. Nevertheless, I enjoyed the session which consisted of sex in two positions, missionary and doggy.
