### The Premises:

Located in a city center apartment which has a discreet entrance with plenty of parking nearby. The apartment is nipping clean, which has fantastic shower. Lulu's chamber is seductive and surreal.

### The Lady:

Lulu is a slim brown haired petite lady with tremendous double DD breasts that blow more than your mind. She was wearing a fantastic leather holed cat suit which was exposing in all the right areas of her tight body.

### The Story:

Lulu was great, I would highly recommend, from the moment I walked in to the reluctant moment that I left. She played the dominating cat woman to a T. She tied me to her bed and slowly teased me with various objects after stripping me off slowly, she always made sure you were on edge whilst being fully erect, trust me he never went down. Her spanking was surreal and I will def be going back for more, when I fired I nearly blew the head off me owld man WOW.
