The Lady:

Candy is an attractive blonde, with a sexy dirty grin. She exudes good time, fun and sex. She was wearing a short black dress.

The Story:

Easy to communicate with Candy was a delight. The shower over with we chatted for a few moments and then on her knees she sucked me hard. I wonder sometimes if I should go for the 15 minute cim options, but not here. I gently fucked her face and it felt fantastic. On to the bed and off with the dress bra and panties, with a lot of writhing which kept me going. The kissing was fine and I searched her body stroking and fingering a tight cunt. Candy played with my nipples, cock and balls. The condom on and she mounted me and her sexy curves, pert breasts and dirty smile had me happily thrusting up into her hole. On to her back and a missionary fuck, she is active throughout and fun. Perhaps this was a one nightstand experience that I never had. I knew that I had a single cum in me so off with the condom and a long relaxed blow job with a 69 intermission. I shot spunk into Candy's mouth and she drained me with that extra slurp I love to snowball and this happened. I slide two fingers into her cunt and she was very wet. I recommend and will return for another splendid fuck.
