### The Premises:

She uses a hotel about half a mile from the Bullring in Birmingham city centre. The surrounding area was quiet which was good as I didn't want to bump into anyone I knew. There was free parking outside. It wasn't the Ritz but the room was clean and functional.

### The Lady:

Tall and slim, pretty facially I was pleasantly surprised. Dark features like hair, eyes, eyebrows. Quite tanned. Lovely eyes and mouth. Body is all natural which i prefer, with beautiful soft skin. As good as, if not better than the photos.

### The Story:

I've seen Alice quite a few times now and keep going back for more. She's very easy to talk to, a good laugh when you need a companion but very eager to please in the bedroom too. We always have a chat first, then she goes to get changed into some nice underwear; usually stockings and suspenders which are my favourite. I asked her for a lap-dance to which she willingly obliged. As for services... Like i said, very eager to please and seems to really enjoy herself. Very pleasant experience. Always nice to finish off with a cuddle and another chat before i leave. Great GFE :)
