The Lady:

Described on the phone as 19 years old, size 8-10, long black hair and gorgeous. For once this was accurate!

The Story:

On the phone I'd learned that Zara and Eva were working and I'd planned to see Eva on the strength of the previous report. On meeting Zara though, my initial reaction was "WOW" and doubly so as instead of a limp handshake, she gave me a full on kiss. I had a quick shower and Zara was back in the room before I was completely dry. She really is stunning - Think Ornella Muti (the Emperor Ming's daughter in Flash Gordon) and you'll be close.

Me, I like to explore a nice body with my hands and tongue and Zara seemed perfectly happy to let me. She was also happy to let me squeeze a finger in whilst licking away. Time for some OW and she's pretty good at it. Not too much hand action and moderate depth. Not deep throat by any means but not just teasing the end either! Zara's very compliant - I stood up and held her head whilst fucking her mouth which took me right to the edge. She asked a slightly redundant question; "would you like to fuck me?" How many men could refuse I wonder? Anyway, I wasn't about to so slipped into her lovely tight pussy. In Mish for a while, pumping away, kissing and her kissing my nipples. Again, I was getting close so asked her to turn over so I could take her in doggy. Wow, what a sight: That lovely arse pointing up at me. In once again and whilst pumping, I started rubbing her arse with my thumb, gradually increasing the pressure until I entered her. That was way too much for me and I came hard in her.

A pleasant enough chat afterwards; she's from Bulgaria and works Tuesdays and Fridays. ' not sure if she offers any extra's like OWO but will ask next time. I get the impression that the sex will only get better when she gets to know you. I may just become a regular.
