The Premises:

A clean flat in Chancery Lane. Safe easy to get although I suspect parking would be expensive.

The Lady:

Lynda is a curvy blond woman with a warm smile. I was there for a massage and her breasts and shaven cunt looked good.

The Story:

I wanted a prostate massage and a full body massage. Lynda provided both her hands worked magic on old bones and failed muscles. The slippiness of the whole body massage was very sexy and her breasts and cunt pushed against bum and back.

The attention to my cock and balls as I arched my bum up was fantastic. The working of gloved fingers into my sphincter and the massage of my prostate was a whole new experience. Onto my back and Lynda finger fucked me and massaged the base of my cock through my ball bag. The line here between heaven and hell is thin. Her slow rhythmic wanking of my penis and manipulation of my arse built to an orgasm that drew more than breath. I shot what looked like a fountain of seminal fluid into the air. I thought my balls were being ejaculated. I rested. Offered a shower I accepted.

Lynda offers a full service for £20 extra if that includes cim after a vigorous massage then she must be in danger of drowning in cum. I will be back.
