The Premises:

Very smart, clean place, 2 or 3 girls working. Discrete back door. Free on street parking close by.

The Lady:

Very slim, toned and tanned body. Pretty girl with a tremendous smile, lovely teeth, long blond hair. She looked the same age as advertised (31yrs).

The Story:

Elle was very bubbly from the moment she came into the room; very friendly and down to earth and really got the meeting off on a good footing. She immediately responded to my request of a naked kiss and cuddle- and what a sensational, slim body she has. I started with some oral on her and she left me in no doubt she enjoyed it. Then swapped to oral on me. This was some of the best I've ever had. Superb protracted deep throat which seemed to give her as much pleasure as it gave me. But I couldn't resist seeing how well our two slim bodies fitted together so we started with Elle on top and finished with me deep inside her with her legs in the air. Fantastic. Can't wait to see her again.
