### The Premises:

One of Annabella's ground floor locations. Usual high standards. Parking was a huge problem being a Saturday, but otherwise plenty of parking is available and that too at 40p per minute (subject to being in designated areas).

### The Lady:

Karolina is sexy, very sexy. There aren't many sexy ladies around – believe me. For those of you who prefer ladies with a bit of flesh and curves but without being obese, Karolina is just perfect.

### The Story:

I have seen Karolina quite regularly, so I thought this time I would put in a deserving review for her.

For a fussy punter like me who seeks perfection in his punts, seeing a lady more than once must mean that the lady has to be really special. For me, and I am sure many others, Karolina is a very special lady.

If you know how to turn on ladies, then Karolina is the one for you, because once turned on, she goes into nymphomaniac mode and makes a GFE turn into a PSE (or at least a filthy GFE).

Each time I have seen this sexy nymph, I have got more than just a service from Karolina. It has been a case of quantity as well as quality in terms of service.

This time, just like on my previous occasions, I started my encounter with Karolina in true GFE fashion (yes, great wet DFK!) but ended up in true PSE porn style fashion. Punting doesn't get better than this.

I shall not go into a detailed account of my encounter with Karolina but what I must state is that this lady is amongst the best in the business. Karolina is not just sexy and pretty too, but is a very friendly lady who deserves to be treated well.
