The Premises:

Nice discreet set off flats, busy enough for there to be a regular stream of people coming and going, yet not so that it is crowded; you could any anyone visiting a friend.

There is ample parking, free of charge for two hours in the nearby supermarket, a three minute walk away, or some very expensive parking (before 18:00) across the road.

The Lady:

The photos match her well, about 5'6" with a shapely well toned and cared for body. She has cute mischievous eyes, and exudes sexual confidence.

The Story:

All I shall say is that Helen is whatever you want her to be. The limits are clear, but outside of them, Helen is at your, or you at her, command. She is however, not a fan of spicy food... ;-)
