The Story:

Alexa is an intelligent and sensual girl and definitely one for someone who enjoys GFE. After a quick shower, she gave me a massage and then lay on my back kissing around my neck and ears. After turning over, we had a prolonged DFK session. This girl's kissing is amazing and you really feel like she means it too. I then gave her reverse which she loved and finished with some mish and cowgirl. After recovery, Alexa gave me some great oral but sadly I wasn't up to round 2. She is only around until Christmas apparently. Fantastic value for money from a lovely, clever girl.
