The Premises:

Typical flat in large Victorian house in Earl's Court, near the tube. Nicely decorated, clean and contemporary. Good shower in clean bathroom.

The Lady:

Malta - very pretty blond, sexy long legs and bum and very perky nipples.

Presley – sultry brunette, nice body and hidden piercing!

Both dressed as requested and greeted me with big welcoming smiles at the door.

The Story:

An excellent punt. I fancied a duo and rang the agency with some ideas. I had not used them before but the very friendly receptionist, Rachel, gave me some recommendations – and, boy, am I glad she did!

The girls met me at the door and took me by the hand down to the bedroom. Soon the paperwork was out of the way and I was helping the girls out of their clothes.

Giggling the girls started waving their bums in my face whilst rubbing me through my trousers. These were soon pulled off and the girls got down to some serious OWO, sharing and taking turns.

We moved on to the bed popped on a condom and writhed around like a bunch of contortionists for what seemed like ages. Every time I felt worn out we changed positions and that re-invigorated me.

Eventually I couldn't hold out any more and I had a very intense orgasm with the girls egging me on. I collapsed on to the bed drained and elated.

After a shower and clean up and a nice friendly chat with the girls I was on my way a happy man.
