The Premises:

Yet again this place is by far the the only establishment that is exceptional
All staff there are very kind. And always greeted with a smile

The Lady:

Amy 30. Exceptional lady always makes you feel welcome. And her overall beauty and personality outshines. It's not just her beautiful body that takes

Your breath away it's Amy's personality and I fall in love with this girl over

And over. Amy is the type of girl you could just sit and talk to and cuddle. Any left for 3-4 months and although in this time I've been a few times while she's been away, even tho all girls are nice nobody comes close to Amy. Don't leave again.

The Story:

As my previous comment I never go into detail about the experience in the Room, I have too much respect for that. If your ever feeling down then Amy's smile laugh certainly brightens up your day. A first class service makes feel as tho your with your proper girlfriend. Although I've been single now for last 2 years I feel as I've found the mist wonderful girl ever to set foot on this earth. Loved our time together I will be back. Love ya xxxx
