The Premises:

Flat in a terraced house. Several minutes walk from Kings Cross so safer during the day rather than late at night. Central London location so expect the usual parking restrictions that one would find in this part of the city. Relatively clean flat and bathroom. I believe she shares the flat with a couple of other working girls.

The Lady:

Brunette Pole, 5'7, slender with quite pale skin. Profile picture is photo shopped, but still quite an attractive woman in her twenties.

The Story:

To be fair, she did later admit that her profile photos were altered, but quite frankly I didn't care. She is attractive (bears a resemblance to the comedian, Brigitte Christie) and the encounter was a very sensual experience. Maybe her bedroom antics won't appeal to everyone, but after I left, I viewed every attractive woman with the thought, "Could you match Valentina in the bedroom!?" From her touch to the way she used her lips and tongue to the various positions we had sex, it was terrific.

Quite often, it's not entirely how a woman looks or even what she is prepared to do; it can simply be the way she makes you feel and it was one of the most enjoyable hours I have spent in a while. I can't say whether she will do everything that is stated on her profile, but I will visit again and for a woman who I believe doesn't offer rimming, that is saying something.
