### The Story:

First time at Ego, booked to see JJ as physically, she is my type of girl. I was not disappointed as she is absolutely gorgeous.

One hour appointment was spot on, a little nervous as the start but JJ put me at ease. The massage was so relaxing, you end up in a state of total relaxation making the grand finale electric.

If you haven't tried Ego, you have missed out. I suspect that all of the the girls are good, but JJ, you were fantastic.

I will be back.
