This flat is behind a parade of shops very close to Bexleyheath, rail station. The entrance isn't very discreet and I doubt if it has shower facilities.

The Lady:

A mature, oriental lady with firm C cup breasts.

The Story:

This was my 3rd visit to this place and there may have been a change of owner. I was greeted at the door with what turned out to be the owner. On the previous 2 occasions it was a man. The new owner was dressed in a Halloween, witches hat and tiny, black shorts which revealed a lovely, slim and shapely bum. She said she recognised me, but it must have been from somewhere else.

The session with Linda included O without, which was £10 in addition to the £60 fee. This wasn't that good really, I think she was afraid I'd come in her mouth. She then put a condom on me and we had sex with her on top. This wasn't too bad because I had good access to her boobs and bum. I asked for a slow hand job finish and she took the condom off, applied some oil and bingo I was soon over the edge.

I may return because there is a different girl each week.
