The Premises:

Pleasant enough basement flat. Backroom with a comfortable bed and clean, bright decor.

The Lady:

Lina is pretty in a cute girl next door kind of way. She has a gorgeous figure, tight curves, lovely breasts and a bum you just want to cup your hands around. She certainly fits her description on the website.

The Story:

I was warned that Lina would be a few minutes late arriving so I lay down on the bed to wait. She came in clad in bra and frilly knickers and I stood up to put my arms around her. She asked my name and then we began gentle kissing which soon became more passionate. In fact she is a lovely kisser with a gorgeous mouth and great tongue. She lay on the bed and said no fingering but I was more into using my mouth on her sweet shaved pussy which she seemed more than okay with. Next we did some 69 and Lina owo'd me nicely. After moving up and sucking on her lovely breasts I lay down and got her to condom me up prior to a session of cowgirl. I then went on top, wrapped her sweet, petite body in my arms and thrust away. When I was near to coming I pulled out and she wanked me off. No cim but I enjoyed coming on her lovely body. A quick clean up and then a few minutes of enjoyable chat before I was hard again and Lima went down on me and gave my cock a good oral workout, very nice. If we had had more time I would happily have fucked her longer and come again but despite Lima adding on some time due to the lateness we ran out of time. This was my first punt ever in the UK and what a perfect introduction. Lima gives a sweet gfe but is plenty hot and horny with it.
