The Premises:

Carmen's place is a flat in the West End a few minutes from Bond Street, so easily accessible via public transport. Bathroom facilities were clean (shower cubicle just big enough to get two of you in) and the boudoir is clean and welcoming in nature.

The Lady:

Carmen is a really pretty Thai lady in mid-twenties, her pictures on her website are a fair representation. She's petite, with lovely long black hair, has a fantastically fit body and her boob-job is nicely in proportion to her frame, among the best I've seen. And they feel great.

The Story:

I booked Carmen via her new website and was greeted by Carmen sexily dressed in black and wearing stockings too, perfect.

After helping me undress we began with an assisted shower, primarily for cleaning purposes but also an opportunity for some passionate french kissing.

Thereafter to the bedroom for 90 minutes of fun including lots of passionate kissing, OWO, 69, rimming and sex in cowgirl and lotus positions before finishing with a handjob while kissing. We followed up with a nice relaxing massage to end the session.

The website can't really prepare you for the person you actually meet, suffice to say that in person Carmen is as smiley and welcoming as you could wish and there was lots of laughing during our meeting. And she is the best Asian kisser I've ever met.

Loved meeting her, she's really quite intoxicating, and I will definitely be visiting Carmen again soon.
