The Premises:

Gated building with intercom for entrance. Very secure apartment, met by friendly attendant and shown to a nicely furnished room with adequate sized bed. I was told Lindsey would be in shortly.

The Lady:

Lindsey came in dressed just the way I like my women, a Black Bustier with lovely Stay up Stockings..... we introduced ourselves with a nice Hug and Sweet Kiss.... I just had to give her cute Ass a gentle squeeze. Lindsey is just the perfect sized woman for me as I am 6'4" 280 lb. Canadian Dude..... she is a Very Beautiful woman with a striking smile and dimples that I could love forever..... after taking care of business and offering me a drink Lindsey excused herself and was back for some further fun that I don't really want to go into details, being the gentleman I am....

The Story:

Well ok... maybe just a few details... Lindsey has a perfect set of Boobs, tits, tatas or whatever your pet name is for ladies mammaries.... I love sucking and gently kissing them especially when the lady is also into having her Nipples Sucked, and Lindsey was up for it... She is very proud of her breasts and well she should be, they are lovely.

I am also into Stockings and was happy to see that she was dressed to kill with her outfit.... after some more gentle nibbling on her pert nipples, I made way down to her nicely trimmed pussy and to my surprise found a cute little clit ring that I gently pulled at with my teeth and nibbled at her pussy lips.....until I was ready to explode,

Ok boys if you want to know more you'll have to call and book this lovely Scottish Lass for yourself.... I am sure you'll enjoy her as much as I did.....
