### The Premises:

Modern apartment block in leafy area. No parking in the road, but there were a few spaces on the premises, beside and behind the building - meant for residents, but that wasn't a problem. Indoors seemed clean and tidy; didn't use the "facilities". Ya Ya's texted address details and directions were, by the way, exceptionally clear.

### The Lady:

South East Asian lady. Couldn't honestly describe her as pretty, but very smiley. Perhaps slightly below-average height, very slim, and - as far as one could tell (her tight-fitting dress stayed on) - quite shapely. Extremely pleasant, welcoming, friendly and obliging.

### The Story:

I'm still wondering how I could have reached my advanced age before experiencing this type of service. I wasn't timing it, but it was probably about 20 minutes of traditional massage (I think I'd go for the "light" touch, rather than "medium", on another occasion), followed by 20 minutes of increasingly erotic massage, followed by 15 minutes after turning on to one's back, leading to a fantastic happy ending (it's £40 without the latter, but who would ever want that?). The last 5 minutes were taken up with washing off the oils and giving a neck and head massage. Ya Ya allows her bottom, clad in just a G-string, to be caressed during the appointment, but doesn't undress. To me this was unbelievably good value, and I can't stop thinking about it.
