The Story:

I came across Grace's review in the Directory and was immediately struck by her stats. I like petite girls and quickly arranged a meeting. Grace is a very pretty young lady, a bit like the girl next door you've always fancied. She looked really good in the tight fitting dress she arrived in and I immediately felt a pleasant stirring down below. Once she stripped off, I saw just how lovely she was. I'm very much a fan of bottoms, and Grace's is truly wonderful. I knew I was in for a treat. I don't want to go into all the detail of what we did in the hour - you can see what services Grace offers in her profile - but the highlights were protected sex, doggy style, and a lovely warm, wet, deep blowjob. I am certainly planning to invite her round again, at least once a month. Try her, you won't be disappointed.
