The Premises:

Annabelles, so well reported. This was a perfectly suitable modern terrace in the middle of MK.

The Lady:

Pixie is well named. Her pics on the Annabella's site are accurate. A pretty, vivacious and friendly east european blond.

The Story:

Ah, the Beauty of the Blowjob! Especially one from Pixie. My punting career is slowly drawing to a close (old age and penury) so these days I only really consult Galacticos - and Pixie is indeed one of those.

Half an hour of non-stop oral, both ways, of the highest standard with an earth-shattering conclusion. Just great!

Would I see her again? Like a shot!
