The Premises:

Basement Flat on North End Road. Area is fine at any time. Shared with several other girls. Parking can be found in streets around the area. Flat clean although bathroom showed signs of use which was hardly surprising given the amount of comings and goings to the premises.

The Lady:

She is Hungarian, although could pass for Italian or North American. About 5'6" tall 34c at a guess nice firm tits and bottom. Nice full pussy. Flat tummy and no fat on her at all. Long dark hair. Gorgeous and willing to let me fuck her. What more could a man want.

The Story:

Her English was not good. I wanted to give her a facial, but I could see she wasn't keen so I left it. She wanted to start by getting on her knees and sucking my cock, but I asked her instead to get on the bed where I caressed her lovely, and by now quivering body. I kissed her lovely face and neck and the stroked her firm breasts. Gradually I moved down between her thighs and began to lick and suck her pussy. She was moaning in pleasure by know and so I inserted one and then two fingers into her wet and slippery pussy, moving them back and forth while I continued to lick away until she came. She kissed me on the cock and balls and then gave me a covered blow job, expertly moving her mouth on my cock until I shot my load.

After we'd cleaned up I moved eventually to the second phase. Here I fucked in doggy which she seemed to enjoy, grabbing my thigh through her legs as we pushed against each other. I then moved into fucking her on her back, which again she seemed to like. The problem was with me as I found it difficult to come twice in one hour, though not because of any lack of effort on Monica's part, as she continued to fuck me in cowgirl, but to no avail. Most frustrating, as you spend your time racking your brains as how you might come rather than getting on with it.

She's a lovely girl and well worth a visit.
