The Lady:

Not as good looking as photos but not bad looking.

The Story:

Perfunctory.

No kissing. Covered BJ lacking much of anything. No touching or licking her between the legs. Some sex. She started haranguing me to come way before time, which is my biggest turn off. After I checked the clock and saw how much time was left, I thought I'd finish myself off. I played with her tits as doing so, which she complained about. As I came, she blocked it with a flannel, totally spoiling the orgasm! I was on my back so the come wasn't even going to go anywhere except my torso.
