The Premises:

Very nice fat on main road, discreet entrance, buzzer. Apartment inside is modern and spacious. Bedroom a little small but perfectly clean and serviceable.

The Lady:

Lilly, small slender, looked slightly older than her photos but close enough. Pretty and attractive, small breasts and interesting nipples (you will have to visit to see what I mean) Shaven. Savrina, Tallwr, enhanced breasts but nicely done, shaven, and very attractive. Long dark hair. Smiley

The Story:

I'd like to strongly recommend but there were enough downsides that it isn't happening. Look these are two attractive gorgeous girls who both enjoyed the sex. But I had asked for a lesbian duo and they were clearly not interested in that despite the web site saying they were the best lesbian duo they had. They told me that the agency might say that and if I insisted they would but it was not their preference. Cock was their preference. Secondly I had asked for girls that were keen on kissing and neither was. They both did so but with mouths that were sufficiently closed to give you the clear picture that it was not their thing. I've been with girls before who would kiss a golf ball through a drainpipe. These two were not keen.

The facts are that if you were looking for a punt with two beautiful ladies who both enjoyed a shag then you'd be happy. Lilly joined me in the assisted shower. Sabrina waited outside in bra and panties.. Into the bedroom and OWO from Lilly, Sabrina sat on my face, sweet tasting pussy with nice wide lips. Swapped over and DATY on Lilly while Sabrina returned the compliment. I asked if either of them were okay with A level and Lilly turned over immediately and lubed up offering doggy. A bit of A followed by doggy in the pussy, then Sabrina lay back and opened up for me. A quick change of condom and mish on Sabrina with Lilly rubbing the ball-sack and kissing my nipples. Finally pulled out and shot over Sabrina's tits and belly with Lilly milking me by hand. Exhausted by now, lay back and both provided a nice relaxing massage. Final shower, peck on the cheek and off I went emptied.

Overall nothing to complain about other than the services requested were not willingly provided despite the website marketing and the long conversation with the agency by phone. Come on guys, if the girls don't want to, that's fine but say so. Let's be honest in advertising?
