The Premises:

A nice clean place with good shower facilities. Short walk from a tube station in a nice neighbourhood.

The Lady:

Definitely the girl in the pictures. Amy has a pretty face and a nice playful attitude that makes her even more enticing.

The Story:

The visit started with plenty of kissing. Not FK but then again I didn't try to initiate any.

Amy then started on giving OWO with lots of spitting and deep throating. More of a PSE at this point.

I then gave her RO which she seemed to really enjoy. We then had covered sex in cowgirl, spooning, doggy and missionary. Throughout Amy was enthusiastic, kissing and seeming to enjoy the sex almost as much as me.

Unfortunately I struggle to orgasm during sex and Amy had to finish me off by hand while I enjoyed kissing her.

Amy certainly seemed to enjoy the visit or at least is a very good actress. She kissed with passion and really gave the impression of spending time with a girlfriend rather than a paid encounter.

Amy has a lovely playful feel to her and I am sure she could provide a PSE. It was a wonderful punt with a lovely girl and I will definitely be planning to visit again.
