### The Premises:

Safe place close to Marylebone tube.

### The Lady:

Very attractive as her site. Lovely manner

### The Story:

Exactly as her pictures and very friendly. We had a chat about limits so we both knew where we stood.

Summer played the naughty schoolgirl who has been constantly late, not doing homework, skipping school and shoplifting. I warned her that she faced expulsion unless she accepted corporal punishment and others as I desired.

I tested the selected cane on my own hand to find that it stung nicely. She bent on my command and I lifted her skirt and pulled down her knickers. A peachy bottom to die for.

For each of her ten strokes I rubbed the cane along her bottom to give her the momentary anticipation as I lifted it off. It reddened beautifully as my strokes fell.

That finished I stripped her and slapped her breasts. I asked if licking was permitted and it was so I ordered her onto her knees to present her rear.

Parting her cheeks my tongue savoured her puckered bum hole and she wiggled I think with some enjoyment.

I then lie her down, pleased her engorged teats and applied nipple clamps. She then provided a lash which I used on her pubic mound.

The next item was hot wax. Lightly down her belly to her pubic mound, and onto her nipples, she gasped with this. We kissed a little.

I applied gloves and fingered her cunt and anus whilst she vibrated her clit.

I noticed her redness was subsiding and therefore decided five more strokes where needed.

She then knelt before me to receive my cum on her breasts.

A very special time with a special lady.
