The Lady:

Met Sonia, a pretty Thai lady, size 6, about 5 feet tall, looks about 20 but is probably a bit older. Perfectly in proportion, small breasts, tiny waist and lovely legs. There was no photograph of her but I was not disappointed.

The Story:

Started with a bit of conversation, she is very friendly and has a great command of English (which is always a bonus!). She undressed me which I found incredibly sexy and we moved onto the bed. DFK, well she could win a gold medal if this was an Olympic sport! I asked her to lay on bed and Mr tongue went into action along with fingering her bringing her to a climax which I am sure was genuine..Then she went on to Mr stiffy who was so pleased to see her having given him a wet wipe clean she continued to perform her amazing oral skills to the point where I had to stop her...On with the cover and she climbed on top..WOW what an image and experience that was..again I was straining not to explode too soon. Finally after a few more positions I experienced an exquisite ending....

There are different girls here each week, but if this is the standard of service I will definately be a regular visitor. Thank you Sonya I am having to visit a plastic surgeon now to remove the grin I have been wearing since seeing you....
