### The Premises:

As this 007 had been "punt less" for quite a few weeks and was on the M25 passing by One2One's Kings Langley flat, decided to exit and call Moneypenny in the control room and see which Bond Girl was on duty. Within minutes liaison with Emma arranged. The flat is excellently appointed. Clean, tidy, roomy...4 poster to play in!! Ample parking for "residents", a very safe location. You do'nt expect to find this "sort of thing" going on in rather up-market places like Kings Langley, do'nt you know!

### The Lady:

First time with Emma.I have a preference for slim, athletic looking girls. Emma was spot on, lovely waist length light brown hair, beautiful eyes, about 5'4", petite figure, cheeky smile, early 20's. Her English is excellent which is no surprise....she is English! In fact her web profile describes her perfectly and photos are up-to-date.

### The Story:

Checked-in with Moneypenny a few minutes early. Welcomed at the door by Emma (only the lady herself is the norm at One2One flats). A bit of laughter and chat about my 007 pseudonym always breaks the ice, particularly on a first timer. To the 4 poster room, paper passed, I adjourn to the bathroom to dis-robe and shower and rapidly back to the 4 poster for the games to commence. Quickly remove Emma's frillies and straight in to some French kissing which soon brought me to attention, my lips and tongue headed south to linger on Emma's VERY responsive nipples, further on down to fannyland where I had a great time with my tongue and lips. I sensed that Emma enjoyed the intrusion. I love to give massage, so I started on her front with the liberal application of 007 lotion (my own secret blend of oils and creams),special attention to tits, tum and mound of venus flip over to work down from neck and shoulders, bum, linger around very upper legs (and in between!)"you are naughty", down the back of the legs to finish on the feet. My turn, I'm already aroused to my full height before her lips get to work with a very stimulating OWO. Eager to gain entry the mac goes on and I go in or, more precisely, she climbs on to ride me with a lovely grinding motion, eye contact and lots of FK. Swap to mish and ultimate finale. This was a first class punt. Emma is great fun. What a lovely motorway "service area" to pull in to but do'nt let everybody know....
