The Premises:

Pleasant apartment in new block. safe, and easy directions. Larissa good with communication and very understanding that I had to postpone original meet by a day.

The Lady:

Attractive curvy mixed race lady in mid 20s who far surpasses her pictures. I was very taken with her presentation when she opened the door - modern hair, attractive face well made up and very smart dress. I didn't recognise her but Larissa remembered me from 2 years before in a different situation.

The Story:

Oh just a marvellous time. Immediately relaxed and friendly with each other, easy chat, lovely kissing including tongue teasing and some prolonged attention to her impressive full breasts and intriguing nipples.

I then moved on to oral and very much enjoyed the activity but also Larissa's responsive reactions.

Then onto OWO which made me feel more sensitive than usual - in a very nice way.

Sex was very very enjoyable and in different positions and it was great to feel Larissa cum - no faking possible there.

Just such a lovely lady I couldn't contemplate not seeing her again soon but next time but I think I am going to have to lengthen the appointment duration as for once I really felt half an hour was not enough to properly enjoy this very very likeable and sexy lady.
