The Premises:

Very nice apartment a few minutes walk from Paddington station.

The Lady:

Beautiful and curvy Brazilian lady who is in her early 30s. The photographs on her website have been photoshopped slightly but I think she is very attractive regardless.

The Story:

This is about the 5th time I have seen Alex and if I were a richer man it would be something I did on a daily basis. She greeted me in a figure hugging dress and didn't have any underwear on. We sorted out the paperwork, I had a quick shower and she was waiting for me on the bed still in the dress. We started kissing each other (something she does passionately) and within a matter of time she was caressing my balls and teasing my cock. I soon eased her tits out of the dress and I could have licked and sucked them all day. She then gave me a sensual BBBJ and I returned the favour by going down on her and used a finger which she liked and it was on with a condom for round one. I asked her to talk dirty, something I hadn't asked her to do before and it worked a treat because I was ready to pop within a couple of minutes. I told her I wanted to cum in her mouth and she obliged.

Within a matter of minutes, she had me hard again and this round was a blur. We fucked in loads of different positions and we went over the time, and she made me pop again.

I am now going to collect all the money that is owed to me by friends so I can see her again.
