The Story:

scarlet started with a massage on my back with oil she was very good at that got her fingerd wright into my skin and the muscle felt great after very relaxing massage she done the top and bottom. she then worked her way down to my bum and between my legs tickling my balls i got very excited, playing with my balls and circuling around a bumhole , wow i i loved it. she then did a lap dance over me, a body to body teaseing, by this point i was so hard she then kissed me and licking me , she sucked my cock till i couldnt take no more. i gave her a orgasium with my tonuge she loved it i know she did. we fucked 3 different positions doing doggy last i couldnt hold it any more she let me cum over her perkie breast with large nipples, hot spunk over her tits yeah she loved it.
