### The Premises:

Close to Anerley station, on bus routes and with parking nearby. Safe basement flat with front and discrete rear entrance. Clean and updated, with two service rooms. The original room now has red furnishings, a wrought iron bedstead (mind your toes!), poor quality video and the same great mirror wall. The original lounge is now equipped with the old circular bed with TV and video available. The shower has also been refurbished but is now a bit on the hot side. A friendly maid offers drinks before and after.

### The Lady:

Yasmin is in her early twenties, has a beautiful face, a very welcoming smile and, in keeping with her heritage, a light tan skin, large dark brown eyes and long dark brown hair. Of medium height, she has a figure of eight body with full firm tits, a shaved pussy and great legs. She was dressed in a black and gold cocktail dress with high-heeled shoes and was slightly shy, but soon came out of herself. Website photos are obviously accurate and the reality is even better.

### The Story:

Welcomed with a hug and a light kiss, we were soon into the House Special, beginning with the shower - slipping and sliding over one another while continuing to kiss and lather each other in all the sexy spots. Kissing Yasmin's full, firm, pert tits was a joy itself. Regrettably, Yasmin declined to French kiss but had no objections to my tongue on her clit and full labia which soon produced a climax. She returned the favour with a tantalising OWO. We finished with my favourite, doggy in front of the mirror, leaving time for a relaxing cuddle with some friendly conversation before a final kiss goodbye. A good GFE with a girl who tries hard to ensure her client's pleasure.
