The Premises:

The incall apartments for angel-companions are always very clean and tidy with excellent shower facilities. They do have good nearby parking though occasionally the entry systems on the door can be problematical

The Lady:

Nicole is a stunning 5'5" dark haired beauty and in real life I was at times mesmerised. She does have a really beautiful face , fantastic body , wonderful boobs and legs to die for. She is mid 20's and better than her photos.

The Story:

Nicole greeted me at the door wearing a very short Little Black Dress heels and a beautiful smile. In anticipation of a great time I had brought a bottle of fizz which on entering the lounge was quickly opened.

Nicole is a very warm and natural person ,and even though I had only just met her it felt as though I had known her for ages.

We quickly got very close with some excellent kissing with plenty of tongues and fondling , I must say now that Nicole does have a wonderful body and fantastic legs. After taking a shower Nicole was waiting for me on the bed still in her LBD , she does look fantastic. She stood up with me sitting on the bed and slowly pulled the dress down revealing boobs which are some of the best I have seen and nipples which were very firm. Kissing of nipples and fondling of boobs followed before Nicole turned her attention to me and proceeded to give me a wonderful OWO , very deep , just perfect.

Nicole did welcome some RO (her pussy is really sweet) before we moved onto the main event. Nicole is very accommodating and we had sex with her legs over my shoulders and doggy before I came over her boobs.

There were some nice groans , not loud and false sounding, as though she was enjoying the experience, which was satisfying to me .

We cleaned up and had a lovely chat whilst finishing the last of the fizz, she is so natural ,

Thank you Nicole for a great time and I will certainly see you again. The 90 minutes was over in no time, and it was back to the real world!!!!!!!!!!

Treat her well and your reward will be forthcoming.....
