### The Premises:

Usual place in Burton. Met by Lily in her house coat and pj's and had to wait half an hour for Muna to finish with previous client. Lily made me a cup of tea and massaged my back, neck and arms whilst I sat in a chair.

### The Lady:

Muna is almost elfin like. Tiny slim body, no tits but big nipples. She has a very Chinese face which looks older than her body but she has a nice smile. She has long dark hair which she is conscious that you don't touch.

### The Story:

Muna gave me a brief closed mouth kiss and we both undressed. A back massage followed which was fine. Turned over and I asked for OWO. Muna agreed for the usual £10. After a quick wipe with a Babywipe, Muna took me in her mouth and soon got me hard. After a little while I asked to stand up whilst she knelt in front of me (my favourite OWO position as I can usually control the action). Despite my efforts Muna would only take my helmet in her mouth which was a little weird but pleasant nevertheless. On with the mack to fuck her in doggy and finished in mish with one leg over my shoulder. Don't know where my dick reached because of her small size but she took it without complaint. Finished with final back rub and kiss on leaving.
