### The Premises:

Well known location near the shopping centre. Pleasant and clean surroundings and relatively discrete.

### The Lady:

One of my recent punts in MK was something of a disappointment. The lady in question, whilst being very pleasant, no longer possessed the body that was in her profile pic's. Diana restored my faith in the escorting world. It is hard (and indeed was hard!) to think of a better experience. Diana was dressed beautifully; has a wonderful body, a pretty face and is bright as a button. Excellent English and great sense of humour...at times quite sarcastic and all the better for it!

### The Story:

I am soooo predictable. Initial caressing was followed by wonderful OWO, some RO and coupling occurred in the canine mode and finally a skilfully executed cowgirl "yihooed" me to nirvana. I will return.
