The Premises:

Lived in a flat very close to Acton High Street. Was in gated development. Very difficult to access, particularly as combination of her accent and lack of language skills made communication challenging. Clearly shared flat with other people as was shushed on more than one occasion. Ensuite bedroom. Flat OK.

The Lady:

Went to see her as I liked the pictures on the other site where she appears as Miss sexyBum (sic). Why of all the women on show I decided to see her, God only knows. Lead by dick. Liked the pictures and wanted to do anal.

Anyway the pictures were only partly correct. It is her front view, but not the back view or the pictures of her tits.

She was quite tall - about 5'10" - slim with nice if slightly pendulous breasts. She had blond hair and glasses, which kept on for the duration of the visit.

The Story:

On gaining entry to the flat, she asked me to shower, and once out I asked her how much. I also asked if she did anal, but she declined saying I had big cock. I wouldn't think it is out of the ordinary, but I'm beginning to think I'll never do anal since most girls seem to be unwilling to do it with my size cock. Anything bigger than a chipolata seems out of the question.

So we agreed to have normal sex. She started by asking me to lie on my front while she oiled my back. I hadn't asked for this but I thought I'd see where it lead. The answer was nowhere - she didn't rub my bum or anything. And so on to covered oral which she performed quite well, making me have a good erection.

After a few minutes she said "Doggy?" and so I obediently got into position on the side of the bed and started to fuck her. Her pussy was quite wet, partly from lubrication, and I withdrew to see how she looked from behind. Nice bum, and then I went in again, harder this time and reaching round caressed her clitoris. She started to pant and push against me so I continued with this for a few minutes. Eventually she said "Hand", but I asked her to lie on her back so I could fuck her in mish.

She was really wet and I could feel it on my balls. I continued to fuck her until I could feel myself coming, at which point I withdrew and pulled off the condom, and within a few hand strokes came copiously over her nice brown tummy. She put her hand down to stop the blast and it got well covered in spunk.

Had a quick shower and left. She was manipulative and tried to do as little as she could, but I still had a good orgasm, so mixed feelings about her.
