The Premises:

Pleasant ground floor flat in Central Milton Keynes. Plentiful cheap parking nearby.

The Lady:

A beautiful, stunning lady of Middle-Eastern origin. Long black hair, petite, about 5' 1", small but delightful tits with very perky nipples. Long shapely legs and WOW, what a bum !!!! And those eyes, you feel that you could almost drown in their lovely dark depths. Gorgeous, scrumptious, breath-taking... get the impression I like this girl ?!

The Story:

I chose Jolene because of her photos on the web-site, and I was certainly not disappointed ! I was looking for a role-play and domination session. Having had less than inspiring sessions with other WGs who have claimed to be into role-play it was really good to find the real thing. Although physically every inch the Egyptian queen, Jolene's English is excellent. She is intelligent and very quick on the up-take. She took my outline for a role-play session and went with it wonderfully. Jolene is friendly, attentive but if humiliation and domination is your thing then be in no doubt that she is in charge however friendly and sweet she seems.

I have found a mistress who really is worthy of worship and will certainly be back soon !
