### The Premises:

Another temporary place for Lara. A few minutes from Marble Arch. Easy to find, easy to get to, close to numerous bus and tube routes. Great central location. Inside, Lara hadn't had time to make it her own, (she'd just moved in, and apparently won't be staying here long) but it was clean and comfortable and cosy. Safe and discreet.

### The Lady:

Lara is a very pretty, very sexy Thai girl. She has fantastic curves, and nicely done enhanced breasts. A really fabulous, fresh, young body, toned & curvy. Great ass! I couldn't keep my hands off her. Amazingly sweet face. She looks quite young and fresh-faced. She's definitely the girl in the photos, but WAY prettier in real life. She says she's 25, she could easily pass for 20. Lara is an absolute stunner. She is utterly, utterly divine. My God, what a cute girl! She's very relaxed and friendly, and speaks English well. She has a very sweet manner, innocent even, and her body is phenomenal. She's a very sweet GFE, rather than PSE. Just what I was looking for!

### The Story:

I'd requested a shared bath to start, but as she'd only moved in here she said can we just have a shower instead. That was fine with me, & what a tremendous experience it was. Lara's shower skills are incredible. She really excels here. This was one of the most memorable showers I've had. Then we moved to the bedroom to continue the heavenly bliss.

At one point she said I was a 'bad boy'. I smiled and said "Babe, I used to be a really sweet man, but I saw so many Thai girls, they taught me many bad things". This seemed to disappoint her a little, and she said "Oh no, I want to teach you sweet things". I said Oh babe, please do. You wouldn't BELIEVE how good that sounds!" She was true to her word! Lara ticks all the boxes. Giving her RO was out of this world! Wow! She's a lovely little kisser, and she puts in a truly amazing effort during the bedroom fun. Some girls are content to just lie there while you pound away, but not Lara! She matched me thrust for thrust the whole time, & even when I occasionally paused for breath, she kept banging away. She has an extraordinary ability to curl all her body around yours. We did numerous positions, and finished with her riding me in cowgirl. Whew! I was

shattered. So was she. She looked at me, gasping & said "Babe, I am completely finished!" She was.

She then gave me a really great massage for the remaining time, one of the most impressive I've had. She kept apologizing in case she wasn't giving me great service, which was remarkable, as I was having one of the best times of my life! I would give her 20 out of 10 for effort. (She also does this wink, which is so cute and adorable it would make a concrete block turn warm & fluffy inside.)

Overall, this was a tremendous, sublime experience. One of my greatest ever punts. Lara is the perfect sweet, adorable girlfriend in every way, she just defines gorgeous, delectable babe. She's exceptionally pretty, and I will see this super hot honey again, and again, very soon. Spending time with the best of these girls makes you feel incredible. Spending time with Lara makes you feel like you've died and gone to heaven.
