The Lady:

This legend needs no introduction, but I would like to say that Pia is like vintage wine that gets better with age. Ladies her age would have sagging breasts, a few wrinkles and loose flesh down below. Pia defies nature in this regard, as she has the body of a 25 year old with beautiful eyes and a perfect figure to go along with it.

The Story:

I normally go for the younger ladies because I am a child at heart, but we all need a change from time to time, so I decided to visit Pia. It was not just for Pia's countless positive reviews but for her legendary status too, that my visit to Pia was well overdue. In fact, at least 5 years overdue.

A lot has been said about Pia's kissing skills. I agree with everything that has been mentioned in the past. Pia is not a wild sloppy kisser, but a passionate one. I like both types of kissers, and am impartial to either, as long as it is done with enthusiasm, which was certainly the case with Pia.

To my surprise, Pia was also very receptive to receiving oral and she genuinely climaxed. I am never satisfied unless I can satisfy my lady, and Pia's climax was indeed such confirmation.

Regarding attitude, Pia was perfect to get along with. She made me feel very comfortable and I felt as if I had known her since childhood.

If you guys need a change from the younger girls, and opt to go for a mature lady that is still very much near the peak of her sexuality (yes, hormones indicate that female sexuality peaks at around age 38), then Pia is a great choice.

Thank you Pia.
