The Premises:

Top class premises, as is expected from a quality establishment. Based in the City Centre, not far from the main shopping area.

The Lady:

A blondish brunette (or a brownish blonde if you prefer) with a beautiful face and a lovely figure.

The Story:

Lina is a lovely girl with a very pretty face, sweet smile and a very friendly attitude. Lina likes to talk, but is not a chatterbox, and does it only to get friendly and not to kill your time punting with her. Lina speaks perfect English and has a great sense of humour.

As far as services are concerned, Lina provides a quality GFE. My time with Lina flew quickly, and it included all the essentials of a quality GFE with plenty of French kissing and foreplay. Lina likes things nice, slow and gentle and if you can fulfil these requirements then you are in for a great time with her.

Lina provides amazing and very enjoyable OWO (BBBJ) with the perfect suction, movements and saliva based lubrication. This is something one associates with a PSE and not a GFE, but then most people prefer this PSE type of OWO.

My list of lovely ladies at this establishment continues to grow, and Lina is definitely in this list.
