The Story:

Mona was very accommodating, she managed to put me at ease and managed to make me feel really welcome. She was dressed in her black lingerie with stockings and suspender as requested, nice make up and high heels. As I walked in she greeted me with a nice kiss on the lips and invited me to the bedroom. I asked her to take a shower with me which she did, lucky me I got to feel her small perfect body all slippery because of the soap and she actually initiated a really pro owo right there. Man she knew what she was doing! The sight of her wet pussy covered with soap and the image of her soft lips on my now rock hard shaft was too much for me and I came quite quick on her boobs. Her nipples were hard and her satisfied smile while receiving my seed made me understand that so much more was coming.

So back to the bedroom and she starts an erotic body to body massage which was really nice and her focusing on my cock towards the end got me ready for the second round. Man, this girl is so energetic. We fucked in all the positions and I must say that she was really the best fuck in a long time. This time I finished deep inside her while pumping her hard from behind. Ariel is really a star! 10 out of 10!
