The Premises:

Anonymous and discreet flat close to Camberley town centre. Easy to park within a few minutes walk of the apartment. Clean and warm within. Met by the maid, who was friendly and welcoming..

The Lady:

Elouise is a bit of a cracker. I was a bit smitten I'll admit. She is very petite English girl, at just a tad over 5 feet tall, but perfectly proportioned. If you have any Kylie fantasies, Elouise might be your girl. She's the same height, has the same pert bum and as she told me, the same boob size. All adds up to a very attractive little package.

The Story:

Isn't it great when the girl you've been looking forward to seeing really lives up to your expectations.

Elouise was just a delight to be with. A very attractive, friendly and delightfully chatty brunette, who put me at ease immediately with a warm embrace, a quick kiss and a cheeky nip at my package!

I elected for the full cum twice 1 hour service, which I now know is one pop more than I have in the chamber as I get older. Damn it!

Elouise gave great OWO, which had the required effect within the first 15 minutes, as planned. No CIM within the agreed price, but a nice facial and tits cum shot was very enjoyable.

After a quick clean up we had a delightful chat for awhile until I was ready for round two. To be honest, I was really enjoying just shooting the breeze with this gorgeous girl, but we had work to do! Alas, despite being able to get to work again with a mix of mish, cowgirl and reverse cowgirl, I wasn't able to cum again so soon. It was fun trying though.

She's a really lovely girl. She enjoys her work and she is very easy company. Be respectful and she'll give you a great time. A big thumbs up from me.
