The Lady:

I've heard this said many times on these reports, but believe me, Carla's web photos do not do her justice, she is seriously fit and just oozes sex appeal.

The Story:

Living a good distance from MK I like to make the most of my visits and this was my second punt of the day. Now Carla is on my bucket list but it has taken me so long to actually firm up an appointment so I was conscious that this punt might be an anti-climax. However, I couldn't be more wrong.

From the moment Carla walked in the room I was mesmerised, rendered pretty much speechless for half of the appointment.

All my likes were on offer DFK, OWO and RO all of which were absolutely delicious.

I'm a real boob and brunette man and in Carla I think I've eventually found my utopia woman!!

As attractive as she is sexy, Carla deserves all the good reports available, I certainly will be looking to make another appointment as soon as I can.

PS. If you make an appointment with Carla, try to find time to give her a foot massage, she'll loves 'em!
