### The Premises:

Nice flat near the cinema, as a Tuesday and market day, parked in Topps Tiles instead of behind the cinema. Flat was ok, I rang J and she talked me through getting to the flat, without which I would have got lost.

### The Lady:

Pretty lady, profile on other site accurate 'Sexylicious\_slut'. Size 8, 5'3", 34D, wearing red lingerie in picture with stockings. Blond highlights.

### The Story:

Started off good, told me to strip off and lie down on the bed for a massage to warm up, this was ok. With the rubbing of my balls & cock soon very hard. Turned over for oral without, with J spat on my cock, I don't know who finds this sexy? Anyway, oral without was quite good, then 69, clean & getting more & more turned on (both of us). On with condom & she sat on top, very enjoyable as she is very vocal and tight. Switched to doggy for frantic fucking with J getting very loud. Finish was enjoyable. She cleaned me up and offered another massage, which was quite poor. Turned over and she asked if I wanted a shower as I wouldn't be able to come again! What the fuck! I politely said she was wrong and she said she couldn't do sex again after cuming. Now thats all very complimentary to me, but I am the client & had paid for an hour. She said she would wank me off if I wanted. I just felt she had no interest in doing that so got up & had a shower. Dressed & left. Checking my phone on leaving and I had been in the flat exactly 30mins. Now for a quick fuck shes great but I had paid for an hour & have never been told I was not going to come again! I would not return, others may enjoy. In fact I think this will be my last punt for sometime, this happens too often.
