The Premises:

Ego massage well described

The Lady:

Someone else described Faye as a blonde pixie, I think that works and like her pictures - attractive slim girl.

The Story:

A great massage with mix of firm and tickling in those all important areas. She kept me covered with a towel initially (it was a bit cold early on) just exposing the parts to be worked on but I found this even more erotic when she strayed under.

All in all a great time with a very happy ending.
