The Story:

I was in the area on business and had considered seeing Jade in advance but knew my schedule was tight so had tried to put her out of my mind for the day and return with more time on another day however, a weirdly wonderful sequence of events allowed me to re-think and schedule an impromptu appointment which was welcomed and well received.

I've seen Jade before and the fact I've returned should speak volumes.

She is so sexy and attentive, I'll keep on coming back for more.

My last report of our meeting was quite graphic so I'll leave this one short and to the point. Visit her, she won't disappoint.

muito, muito bonita e sexy, baby, eu te vejo em breve x
